WHEREAS

A. Department of IT & Communication (DoIT&C), through RajCOMP Info Services Ltd. (RISL), in collaboration with District e-Mitra Societies (DeGS), is running e-Mitra project. e-Mitra project is an integrated IT enabled platform for delivery of various services and information to rural and urban masses under single roof by setting up of kiosks at various locations in all districts across Rajasthan with the objective of ushering in e-Governance in the State. e-Mitra Project is being implemented on a 3-tier model. The first level is that of DoIT&C/RISL. At the second level, there are Local Service Providers (LSPs) selected through open tendering process by RISL & at the third level are the kiosk holders selected by LSP with whom they have signed Agreement /MoU. RajCOMP Info Services Limited (RISL) is the executive agency under the e-Mitra project on behalf of the Government of Rajasthan. District e-Governance Societies (DeGS) are Societies formed in all districts under the chairmanship of District Collector to facilitate and monitor implementation and operation of various e-governance initiatives including e-Mitra in the respective districts. The DeGS is responsible for the day-to-day monitoring and management of the project at district level. The mechanism of service delivery consists of a Back Office and a Front Office. The Back Office contains infrastructure and application required to enable the system while Front Office hooks on to the back office and provide interface between citizen and government. Front Office management is carried out through Local Service Providers.
